## Survivor's Checklist

### Death Certificates

How many are needed? The number varies by the amount of property & assets held by the deceased. American Heritage will order as many death certificates as you request. Reorders are available at a later date but can take longer. For an accurate account of how many to order you may want to contact each entity for specific information regarding their policies. Ask them:

**1)** does the death certificate need to be **with or without** cause of death?

(Florida Law specifies that items of public record may not have cause of death information);

**2)** will the certificate be returned or retained for their records? For an estimate of how many to order, review the list below. The items with an asterisk (\*) generally require a **certified copy**.

**The following is a partial list of items that may need attention:**

**Insurance Policies** notify all companies and file applicable claims:

Life Insurance Policies \* Medical, Health, Dental, Automobile, Travel & Accident Policies Homeowners Insurance
